Probe

A circular target with concentric rings. The rings are numbered 1 through 10, starting from the center and moving outwards. The numbers are: 1 (center), 2, 3, 4, 5, 6, 7, 8, 9, 10 (outermost). The target is divided into segments by radial lines. There are three small circles on the target, one in each of the outer rings.

Serie 1

The target consists of concentric circles. The outermost ring is divided into 10 segments, each labeled with the number 1. Moving inward, the next ring is labeled 2, then 3, then 4, then 5, then 6, then 7, then 8, then 9, and the innermost circle is labeled 10. There are also smaller concentric circles within the 10 ring, creating a bullseye effect.
